# Reopening of Asia House

We look forward to re-opening Asia House on 21 February.

In the coming months, we will host a number of “Asia House Business Meetings” in addition to Asia house Business Seminars. At the business meetings, one presenter will give an outline of a specific topic and start discussions. The meetings will be no more than 90 minutes and will be held either in the morning or late afternoon. Below is a list of Asia House Business Meetings planned so far:
