# MiniG25

11.-13. JULY 2025  
Copenhagen

**Would you like to be part of a dedicated team and help create an amazing gathering for adoptees?**

To celebrate Korea Klubben's 35th anniversary, we are hosting IKAA MiniG25 in Copenhagen, where we will welcome Korean adoptees from all over the world. It's our turn to be hosts, and we're excited to showcase the capital to around 100 participants. Come join us in creating an unforgettable experience for both attendees and volunteers!

We need many volunteers, so if you can check off several of the following, we'd love to hear from you:

- ✓ **You are adopted from Korea**
- ✓ **You can participate 10. - 13. juli**
- ✓ **You have good strong collaboration skills and sense of overview**
- ✓ **You have experiences with bigger events**
- ✓ **You want to facilitate the best time for our participants**

In addition to helping out during two fun and hectic days, you'll get a unique chance to experience the event up close. You'll have the opportunity to meet other Korean adoptees from around the world, share experiences about adoption and Korea, and build a strong international network. We'll provide meals during your volunteer shifts, and travel expenses to and from Copenhagen (one round trip within Denmark only) will be subsidized.

## **Tasks could be:**

- Preparing, cleaning, and tidying up venues.
- Setting up "Command center".
- Provide water and food for participants and volunteers.
- Preparing, cleaning, and tidying up the party venue on Friday and Saturday evening.
- Setting up tech and audio equipment in the different venues.
- Coordinating with other volunteers and team leads.
- Coordinating the use of parking permits.
- Other ad hoc-tasks.
- Various errands on the day.

We look forward to hearing from you!

**Kind regards**  
**Korea Klubben**
